

## Junior Programme

New students staying at the hotel/residence will be checked - in by our leader. Information about the services and the neighbourhood will be given during this process. You will be given time to unpack, settle in your room, explore the area, etc. When you are ready to join the rest of the group; residence guests; please proceed to the lobby. For pickup times on day of Arrival please refer to the Pickup all evenings. The indicated times on this programme are approximate times. You are therefore requested to be present at the lobby at the indicated times. Any delays will disrupt your friends' schedule. Therefore, we ask you to be on time, failing which you will be losing out on transport. If you are not on time, you will be required to make your own way to the activity/school by taxi. Please note that this programme is subject to change.
